The specialist in family holidays!

The special requirements of families are one of our priorities: rooms with child-friendly interiors, play areas and a restaurant, as well as a welcoming attitude towards children. Eggerhof is a top choice for a family holiday in the High Tauern National Park.

There will not be a dull moment here!

The motto of our kids' world is "Just 4 Kids" – with table football, bobby car races, a giant Connect Four and an indoor climbing wall.

There is also a large children's play area in the garden with a climbing tower, slides, sandpit, boulder wall, table tennis and slackline.

Swimming fun in summer and winter!
Free entry for our guests!

When the summer sun is smiling ...

Summer in the mountain hiking village Mallnitz!

An impressive nature experience awaits you in all its forms – whether as a summiter at over 3000 metres, hiker at medium altitude or leisurely stroller on an exploratory tour of our valleys.

Enjoy your holiday in harmony with nature and sustainably with the “Alpine Pearls Mobility Pass” – hiking taxi, mountain bike and e-bike hire, as well as a selected weekly programme with guided tours and hikes, for experiencing the national park close up.

More fun and action await you with canyoning, rafting and climbing available locally.

Powder snow & cosy chalets ...

A winter fairytale!

Carinthia's highest altitude ski resorts, Ankogel and Mölltal Glacier, ensure all-round fun on the pistes.

Cross-country skiers can also find their paradise here: the cross-country trails around Mallnitz are among the best in Carinthia.

The winter can also show its best side away from the pistes – whether while on a snowshoe hike observing wild animals, ski touring and freeriding, sledging or skating.

Walks or horse-drawn sledge rides through the white winter landscape into the Seebach or Tauern valleys promise fairytale romance.

Let yourself be enchanted!
